Dear Mental Health Provider;

Based on House Bill 311, effective July 1<sup>st</sup>, 2013, only a psychiatrist or credentialed mental health screener may initiate a 24-hour psychiatric detention for evaluation of an adult. In order to be credentialed, you must take a 36-hour training and successfully pass a test through the Department of Health and Social Services, Division of Substance Abuse and Mental Health Services.

Requirements to become a Credentialed Mental Health Screener include the following: successfully passing a criminal background check to be paid for by the training participant, having the designated level of clinical and psychiatric crisis experience, being a licensed mental health professional or be supervised by a Licensed Psychiatrist, attending **all** 36 hours of training and successfully passing the test.

The following information pertains to upcoming training:

Delaware Technical Community College  
Terry Campus – 100 Campus Drive  
Dover, DE 19904  
Corporate Training Center – Room 407 A/B
